22 provided in ~~such~~ the memorial building for the use of companies of the national guard.

COMMENT: In par. (d), should "regulations" be replaced by "rules." See  
par. (c).

1       **SECTION 16.** 21.612 (title) of the statutes is repealed.

2       **SECTION 17.** 21.612 of the statutes is renumbered 21.23 (2) and amended to read:

5       purposes, ~~and any such transfers or acquisitions heretofore made for such purposes are~~  
6       validated.

      COMMENT: Should this provision refer to "the governing body" of a  
      county, city, town, or village? In the alternative, should "the governing  
      body" be deleted from current s. 21.61 (1), as renumbered and amended  
      by SECTION <sup>Ar?</sup> 14

7       **SECTION 18.** 21.616 (title) of the statutes is repealed.

11      ~~defense facilities act of 1950 or any act or acts amendatory thereof or supplementary thereto~~  
12      federal law, to expand, rehabilitate, equip or convert facilities owned by the state and to  
13      acquire, construct, expand, rehabilitate, equip or convert additional facilities. The department  
14      ~~of military affairs~~ may on the part of the state accept such federal contributions in the manner  
15      prescribed by federal law or regulation, and may accept on behalf of the state the lawful terms  
16      and conditions ~~thereof~~ of a federal contribution. The department ~~of military affairs~~ shall take  
17      such steps and have all the functions and powers necessary, consistent with the appropriation  
18      therefor, to acquire contributions under ~~any such~~ federal act law and to undertake and  
19      complete ~~any such~~ a project in conformity with the applicable federal act and this section  
20      subsection.

      COMMENT: In the last sentence, is there a simpler way of saying "the  
      department shall take such steps and have all the functions and powers

necessary, consistent with the appropriation therefor...”? Could it be replaced by “the department has the powers and duties necessary....”?

**Subject:** Ch. 21 follow-ups

Pam, Bob, and I were just discussing the ch. 21 draft and came up with a list of follow-up questions that the Dept. was going to get back to us on. If you could get responses back to us by next Monday, November 27, Bob can incorporate them into a /2 version of the draft for the next subcommittee meeting.

1. How should "unit" be defined in s. 21.01?
2. How should the paragraphs in the new s. 21.04(1) be organized? We had discussed having the most significant paragraphs first. See the note on p. 8, after line 8.
3. On page 15, line 6, is there a Title 10 U.S.C. cite that should be included here?
4. Please review the 2 notes on page 18 to determine if the language is okay.
5. On page 28, line 12, is the deletion of saboteurs and enemies, and the addition of terrorists, okay? Can we use the same language on page 29, line 5?
6. Is s. 21.35, as drafted on page 31, okay? I think you were going to look at whether the reference to special schools was appropriate.
7. On page 35, line 17, you were going to revise the new s. 21.42.
8. On page 36, line 8, is \$50 still the appropriate amount?
9. On page 36, lines 9 to 11, you were going to look at the phrase "special service under orders" to determine if there is a better term.

**Subject:** Follow-up items for DMA for ch. 21

Pam, Bob, and I got together this morning and came up with the following list of items on which we need follow-up information from the Department:

- Definitions of "state active duty" and "federal active duty".
- Page 47 and subsequent pages--should "person in military service" be replaced by a different term?
- Page 57--changes to make subs. (7) and (8) more consistent with federal law.
- Page 58, line 13--replace "\$1,200 per month" with a reference to federal law . . . "the amount specified in \_\_ USC \_\_\_\_."
- Page 70, starting on line 22--can 21.54 (1)(a) and other parts of 21.54 (which will become 21.64) be deleted and a reference to federal law substituted?
- Page 73, line 19--definition of "active service". Is this appropriate or is any part of this going to be replaced by new definitions under the first bullet point?
- Page 74, lines 18 and 19 (and other parts of this section)--is "service in the uniformed services" the appropriate term?
- Also, the Department was going to contact the Governor's office to discuss whether to make the Homeland Security Council a statutory body, and to see if they were comfortable with changes to certain powers and duties of the Governor that make them powers and duties of the Adjutant General.

Bob will only be in until Tuesday of next week and then out the rest of the week. He hopes to have the draft done before he leaves, so if you could get him something by this Friday, that would be great.

Thanks.

Dick

This listing is compiled from the enrolled bills and joint resolutions passed by the Legislature. The Legislative Reference Bureau makes a reasonable effort to provide a complete and accurate listing, but assumes no responsibility or liability for possible errors or omissions.

The first table is intended to record **whole-numbered** statute sections affected by 2001 Wisconsin Acts in regular and special sessions. Some whole-numbered statute sections, though last printed in the statutes of 1919, continue in force today.

The second table shows, in the ascending order of the **decimal-numbered** statute sections affected by 2001 Wisconsin Acts, the changes enacted by the 2001 Legislature in its regular and special sessions. In addition, this table contains references to decimal-numbered statute sections affected in prior legislative sessions which have delayed effective dates beginning after January 1, 2001, and decimal-numbered statute sections affected by Supreme Court Orders effective beginning on January 1, 2001.

Changes in nonstatutory **session laws** resulting from 2001 enactments are shown separately following the table of statute section numbers. A final table shows the **constitutional amendments** approved by the 2001 Legislature on **first consideration** for review by the 2003 Legislature, constitutional amendments approved by the 2001 Legislature on **2nd consideration** for submission to the electorate, and statewide **referendum questions** for submission beginning with the 2001 spring election.
